United Nations

Sustainable Development Goals – “17 SDGs to Transform Our World”

SDG 5: Gender Equality

“Achieve gender equality and empower all women and girls”

IAEA

IAEA committed to gender equality.

Supports all individuals, regardless of gender, to equally contribute and benefit from IAEA's programmes & activities

“Gender equality and the empowerment of women lie at the heart of the SDGs and they are vital to fully realizing the rights and potential of everyone. These fundamental aims must also inform our work at the IAEA.”

- IAEA Director General, Rafael Grossi

IAEA Fusion Energy Conference (FEC 2020)

Side event 12th May 2021

- webinar “Women in Fusion”
- five female fusion experts (IAEA, ITER, F4E, CEA), 100 participants

- ✓ F4E
- ✓ EUROfusion

Women in Fusion

First public appearance 8th March 2022

Women in Fusion

First public appearance 8th March 2022

Web page <https://www.womeninfusion.org> ready June-July 2022

Powering fusion. Empowering women.

Women in Fusion is a global community to inspire and support women in the field of fusion through sharing experiences, promoting women's leadership, and encouraging greater participation and recognition for women's contributions to fusion.

Our webpage will be launched soon and meanwhile we invite you to join us as a Women in Fusion member.
